## (Proposal # 2022-2023.003)

### **Installation of 6-7 Commercial Grade Electric Motors for all External Slider Security Gates.**

**Due Date: Thursday, December 1, 2022 at 3:00 pm**

The Lasara Independent School District is requesting proposals for a turnkey operation for the installation of commercial grade mechanized motors to open/close all external slider gates throughout the entire campus:

#### Requirements:

- The mechanized motors must be commercial grade/heavy duty to withstand the elements.
- The mechanized motors to be installed must lend themselves to being programmed to work with a future integrated access control system of choice.

**RECOMMENDED:** Upon request (email or via phone call) prior to the due date, interested vendors can make arrangements to come tour the Lasara ISD in person to get a better perspective of the job at hand.

Proposals are to be hand delivered or mailed to the attention of Rogelio Cantu, Business Manager, Lasara I.S.D., 6160 E. 6<sup>th</sup> Street, Lasara, Texas 78561. Please mark your envelope plainly: *Electric Mechanized Slider Security Gate Motors*.

Proposals will be accepted until Thursday, December 1, 2022 at 3:00 p.m., at which time they will be opened. Proposals will be opened, but not read publicly at the Business Office Conference Room, located at, 6160 E. 6<sup>th</sup> Street, Lasara, Texas 78561. Any proposals received late will be returned unopened. Lasara ISD is not responsible for proposals misplaced or mailed incorrectly.

Responses sent by overnight mail should have the proposal # written on the delivery ticket.

Sincerely,

**-Original Signed-**  
Mr. Alejos Salazar  
Superintendent
